PROFILE

I have extensive experience in shooting commercials, features, drama series, corporates, live broadcasting and music videos.

After my tertiary education I worked as a runner, studio manager, then in audio recording and post, followed by data wrangling and focus pulling.

I was subsequently trained as a:

- **DOP** - by Johan Scheepers (SASC) and Hans Kuhle (SASC).
- **Steadicam Operator** - by Garret Brown, Jerry Holway and Chris Fawcett in Sweden.
- **ARRI Trinity 2 Operator** - by Kurt Schaller in Germany.

International travel is no problem whatsoever...
